

1. HEADLINE UPDATION

The screenshot shows the LinkedIn 'Edit intro' modal for user Prajwal Naik. The modal is overlaid on the user's profile page. It contains a premium promotion at the top, followed by input fields for 'First name' (PRAJWAL SHRIKRISHNA), 'Last name' (NAIK), and 'Additional name'. Below these is a 'Pronouns' dropdown menu set to 'He/Him'. The 'Headline' field contains the text '2nd Year CSE Student at REVA University | Building Foundations Across Software Engineering'. There is a 'Country/Region' dropdown set to 'India'. A 'Save' button is at the bottom right. The background shows the user's profile with 340 connections and a 'Suggested for you' section.

2. UPDATION OF ABOUT SECTION

The screenshot shows the LinkedIn 'Edit about' modal for user Prajwal Shrikrishna Naik. The modal is overlaid on the user's profile page. It contains a text area for the 'About' section with the following text: 'I'm a 2nd-year CSE student at REVA University, building a strong foundation in software engineering through coursework and personal projects. I'm developing experience in problem-solving, project development, debugging, collaboration, documentation, and applying structured approaches to create practical solutions. I'm looking for software development internships, project collaborations, and mentorship opportunities where I can contribute, learn from experienced professionals, and grow as an engineer.' Below the text area is a 'Skills' section with a '+ Add skill' button. At the bottom, there is a 'Suggested based on your profile' section and a 'Save' button. The background shows the user's profile with 340 connections and a 'Suggested for you' section.

Edit about

You can write about your years of experience, industry, or skills. People also talk about their achievements or previous job experiences.

I'm a 2nd-year CSE student at REVA University, building a strong foundation in software engineering through coursework and personal projects. I'm developing experience in problem-solving, project development, debugging, collaboration, documentation, and applying structured approaches to create practical solutions. I'm looking for software development internships, project collaborations, and mentorship opportunities where I can contribute, learn from experienced professionals, and grow as an engineer.
